About Us

We are passionate about using music to strengthen our community. High Desert Harmony Chorus is a non-profit, volunteer-run, women's a cappella chorus. Our singers from Reno-Sparks and surrounding areas span 8 decades and many walks of life. As a chapter of Sweet Adelines International (SAI) since 2004, we support the mission of fostering the enjoyment of four-part a cappella harmony, guided by Sweet Adelines's mission of "elevating women singers worldwide through education, performance, and competition in barbershop harmony and a cappella music."
